Kingdom of Saudi Arabia
Ministry of Education

Basic requirements for Scholarships admission of non Saudis at Saudi Universities

1. The same admission requirements applicable to Saudis in institutions of higher education **apply** to internal and external scholarship students.
2. With regard to paragraph 1, the following conditions are required for external scholarships students:

   a. The student should not be less than (17) years old and not more than (25) years for the undergraduate and institute for teaching Arabic language or the equivalent, (30) years for the master's degree, and (35) years for the doctoral degree. Exceptions can be granted by the Council of the educational institution.
   b. Non-Saudi candidates must obtain approval of competent authorities in their countries, if required there, for them to travel for study in Saud Arabia.
   c. The candidate must have not been granted a scholarship by another educational institution in Saudi Arabia.
   d. Certificates and credentials must be attested by the competent authorities determined by the educational institution.
   e. The candidate must produce a certificate of absence of precedents from the security services in his country.
   f. The candidate should not have been dismissed from one of the educational institutions in the Kingdom.
   g. Female candidate must be accompanied by a mahram (male relative), according to the instructions regulating that, provided that he is covered by the scholarship or / holder of a Saudi regular residence permit or /is on the register of an employer in need of his services.
   h. The candidate must pass the medical examination determined by the regulations and instructions.
   i. The educational institution may require a student's recommendation from one of the bodies, institutions, or personalities specified by the institution.

3. The educational institution council sets the executive rules governing the admission of scholarship students from within the Kingdom, taking into account the following:

   a. That the student obtains the approval of whoever is on his record to study at the educational institution.
   b. The student is a holder of a Saudi regular resident permit.

Advantages of Saudi Scholarships:

There are advantages and incentives that a foreign student accepted to study in the Kingdom of Saudi Arabia can obtain, including:

a. **Health care** for him and his family members if they are brought in to reside with him.
b. A **two months financial reward** upon his arrival for his settlement.
c. A **three months financial reward** upon his graduation for books shipment.
d. **Same advantages** enjoyed by his fellow students at the educational institution
e. **Food meals** at reduced prices offered by the educational institution.
f. The student will be entitled **to housing** and the appropriate scientific, social, cultural and training care
g. **Annual travel tickets**, taking into account the regulations that take into account and organize that.
